EXPERIENCE **Co-Founder | SEP 2025 – PRESENT**
Noor Apparel | noor-apparel.com

- Co-founded a clothing brand with two friends, building the complete digital presence from the ground up.
- Designed and developed the e-commerce website at noor-apparel.com.
- Manage brand strategy, product development, and online customer experience.

Generative AI Visual Design Intern | APR 2025 – AUG 2025
Meshkat Partners Ltd.

- Explored creative applications of generative AI by training LoRAs with Stable Diffusion and using them to design interactive 3D characters, visual books, and immersive digital experiences.
- worked with tools like ComfyUI and applied UX principles to blend art and AI in building next-gen digital experiences.

EDUCATION **UNIVERSITY OF TORONTO | 2024 – 2028**
Honours Bachelor of Science – H.B.S, Computational
Cognitive Science

CERTIFICATES **GOOGLE UX DESIGN PROFESSIONAL CERTIFICATE | 2025**
GOOGLE

PROJECTS **Generative Character Creation (Stable Diffusion)**

- Built custom LoRA models and ComfyUI workflows to produce consistent 3D characters and visual styles.

Residential Interior Redesign

- Collaborated on a full home renovation concept, creating spatial plans and visual designs later used by builders.

Logo Design Portfolio

- Designed logos for community organizations, small businesses, and charities, adapting visual style to each client’s brand identity.

AI-Powered University Admissions Assistant

- Creating an AI-driven admissions advisor that helps students navigate university selection, requirements, and application processes through personalized insights.
